

# More than just a game of football?

## What problems might the World Cup cause?

### Objectives

- To be able to identify problems the World Cup might cause
- To select appropriate solutions to problems

### Resources

- Sugar paper
- Selection of marker pens

### Lesson Activities

- Brainstorm any problems that students can see with the World Cup eg security, rubbish, accommodation
- In groups of 3, pupils address one of the issues raised. They will need to discuss the problem and come up with possible solutions and write these down.
- The aim of this activity is to produce a Corporate Plan for running the World Cup.
- Feedback as a class.

***Each issue should be outlined, explained and a solution proposed on a single sheet of A4, so it looks like a business plan.***

***Overall the class can produce a timeline suggesting how it should be coordinated.***

***By the end the class will have produced a booklet, detailing all the problems and solutions.***

### Outcomes

**All pupils to:**

- Identify a problem or solution

**Most pupils to:**

- Be able to create solutions to a problem

**Some pupils to:**

- Be able to justify their choices
