

Mutual learning for sustainability: The Gambia and the UK

Acknowledgments

We list below the teachers and educators who have worked on this project over the last decade.

The partnership with the NEA was set up by Scott Sinclair, Director of Tide~, with Ben Ballin as project worker, and ongoing support from the staff and Management Committee of Tide~.

The following have led work at the National Environment Agency:

Ndey Sireng Bakurin [1999-2006, then as Director, Inter Sectoral Network 2006-8]

Ajie Binta Kinteh [from 2006]

Anneke Hielkema [from 2008]

Supported by the staff at NEA, especially Momodou Cham and Momodou B. Sarr, Executive Directors.

Members of the Educators for Sustainability Sub-Committee, especially Ena Corrah and Ousman Yabo, Chairs.

The headteachers, staff and children at schools participating in the Educators for Sustainability initiative.
