Bird Friendly Schools

Big Schools Birdwatch

A close-up photograph of a young bird, possibly a sparrow or similar small bird, sitting in a nest made of dry grass and twigs. The bird's beak is wide open, and it appears to be calling or waiting for food. The background is a soft, out-of-focus green, suggesting a natural, outdoor setting. The lighting is bright and natural, highlighting the texture of the bird's feathers and the nest.
