# THE DEVELOPMENT COMPASS ROSE

## Natural

- ◆ *What is the impact on biodiversity?*
- ◆ *Where does our water come from?*
- ◆ *What are the implications of and for climate change?*

## Who decides?

- ◆ *Who decides who gets water and where waste water is treated?*
- ◆ *Who owns water resources and who invests?*
- ◆ *Who runs and maintains water resources?*

## Economic

- ◆ *What is the real cost of water? Who pays, and how?*
- ◆ *What is the effect of industry and agriculture?*
- ◆ *What is the connection to the global economy?*

## Social

- ◆ *How does water affect trends in settlement?*
- ◆ *How is water use changing [eg bathing and showering]?*
- ◆ *Culture, religion, stories and celebrations involving water.*
